WHAT IS SURF JUNIORS ACADEMY?

Surf Juniors Academy is an exciting program based on what's best for the players. The player's individual skill development and enjoyment is at the heart of the program.

All players get professional training from Coach Sheen Brewster and her assistants. They get practices sessions throughout the year in which small-sided games is the emphasis during the fall and spring seasons.

The players play in games to maximize touches and enjoyment which will fall in line with Surf curriculum.
